Q.HELP

[italicized text added at W3 – July 2006]

R: “What is this survey about?”

I: "This is an ongoing study that will survey both *recent* smokers and non-smokers across Ontario. We will ask you questions about what you think, what you feel and your experiences related to tobacco use and second-hand smoke."

R: “What is OTRU?”

I: “The Ontario Tobacco Research Unit is not a tobacco company; it is an academic research network at the University of Toronto and University of Waterloo. The Unit conducts tobacco research on smoking behaviours and second-hand smoke in order to identify factors that might help reduce tobacco-related illness and death in Ontario.”

[deleted “I am not a smoker/recent smoker” from F.UP surveys at W5 to provide sufficient room for more important HELP info – this info provided at interviewer stations]

[Added at W3 – July 2006]

[Revised at W5 – July 2007 and slightly modified W6 - Jan '08 – for additional follow-ups]

R: How many follow-up interviews? / How much for reimbursement?

FOR WAVE 3 & 4 RECRUITS (not previously being informed about increasing follow-up interviews from 3 to 6):

I: We are extending the number of follow-up interviews in order to better understand changes over time in attitudes, behaviours and beliefs related to smoking. This is your ____ detailed follow-up interview; at the end of your third follow-up interview we will ask if we can contact you again for additional follow-up interviews. There will be up to 3 additional interviews occurring in 6-month intervals in which you may participate. Each will only take 10-15 minutes and you will continue to receive a \$15 cheque for each survey in which you participate.

[New for W6 – Jan 2008]

F1 – F6: (FOR COHORTS 2,5 & 6 who received revised recruitment script in W5 for additional follow-up surveys or consented to recontact for further participation at F3):

I: We will try to contact you every 6 months for 6 follow-up interviews that will range from 10-20 minutes. This is your ____ follow-up interview. Your participation in each interview is voluntary and you will continue to receive a \$15 cheque for each interview you complete.
